

Standard Color:White,Silver,Black

### Product Features

- Automatic, entry level hand dryer designed for small or low use washrooms offering excellent value and good performance at a price that suits smaller budgets.
- This model will dry hands within 25-30 seconds and has a decibel rating of 57 decibels.
- The unit has a tough, ABS body and presents a clean and hygienic image to visitors as it can be easily wiped clean.
- The automatic function is more hygienic than using a push button and the user simply places their hands under the unit to activate it. This ensures it is safe and simple to use for users across all age ranges.
