

Standard Color: Brushed, White, Silver, Black

### Product Features

- Equipped with the latest twin Blade V-style technology. Two angled blades of air simultaneously scrape moisture from the hands providing a rapid and consistent dry which is not so easy to achieve from a single outlet.
- Smart eco-mode switching, letting you choose the ideal settings for your washroom. Simply set the internal switches to hot or cool – with soft or strong air flow.
- Super easy installation The back cover on the dryer does not need removing for installation.
- With 4 settings to choose from, you can really customise this hand dryer based on your own unique requirements. This fast drying, yet quiet hand dryer can be set to a really energy efficient 600-800W by switching off its heater element, reducing energy usage.
- With a state-of-the-art 800W motor, it uses twin-blades in a V-formation, generating quick-drying sheets of air at over 100 m/s.
- Built-in removable air HEPA filter for improved hygiene, it will stop any airborne germs or bacteria from entering the dryers.

### Technical Specification

Body Material	S.S 304
Voltage	220-240V
Frequency	50/60Hz
Total Power	600-2000W
Motor Power	600-800W
RPM	24000
Electrical Isolation	Class I
Hot & Cold Switch	Yes
Current	5.5A
Air Speed	100m/s
Dimensions (mm) W x H x D	310x325x188
Cover thickness	1.2mm
Air Temperature (10 cm distance/21°C)	38°C
Net Weight	5.9kgs
Noise Level In Db(at 2m)	70
Water Splash Proof	IPX3
Auto Cutoff	60s
