

Product Features

- Horizontal, Stainless steel clad, Surface mounted
- Gas spring mechanism ensures smooth open and close.
- Safety belt with cam-buckle is adjustable with one hand.
- Hygienic and easy to clean with HDPE to inhibit bacteria growth.
- Comply with the EN 12221 standards and units tested in our own laboratories have withstood loads over 50 kgs.
- Stainless steel horizontal baby changing table that fits onto a wall and protrudes only ever so slightly from the wall, keeping valuable space within the washroom for users to work and change their child in comfort.
- Complies to global safety standards and the safety belt is adjustable for fitting around the exact shape of the child or infant being changed.

Technical Specification

Dimensions:
 Open:905*495*520mm
 Closed:905*495*104mm

Material: Stainless steel
 Unit Net Weight:23Kgs
 Recommended installation:800 mm at lowest point
